

Graphic Communication Technology

Department: Business and Information Technology

Degree: Associate of Applied Science (A.A.S.)

Entry time: Fall, Spring, Summer

Length: 2 years (5 semesters)

Program Description

In today's world, graphic designers have had a hand in virtually every place you look. Advertisements, websites, packaging, and movies are just a few examples of where graphic designers use their artistic skills to create attractive images to speak to various audiences. Kirkwood's Graphic Communication Technology program will prepare you for the fast paced world of graphic design with industry standard programs and equipment. You'll have the experience you need to make your mark in the industry you choose.
