Program Description

Occupational Therapy Assistants (OTAs) work with patients of all ages and help them learn skills to lead independent lives. They work under the supervision of an occupational therapist (OT) to provide hands-on services to clients who are learning new ways to succeed in the occupation of life.

The primary location for Occupational Therapy Assistant students is the Kirkwood Linn County Regional Center in Hiawatha.

This Allied Health program has a mandatory background check for clinical purposes.

Accreditation

The Occupational Therapy Assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE). Graduates of the program are eligible to sit for the national certification exam administered by the National Board for Certification in Occupational Therapy (NBCOT). Successful completion of the exam leads to the Certified Occupational Therapy Assistant (COTA) designation. Most states, including Iowa, require a license to practice. A felony conviction may affect a graduate's ability to sit for the NBCOT certification exam or obtain state licensure.
